Idea 8 QL KDJ + shower board

Shower enclosure set consists of 3 parts: front (two elements) and sidewall S1. Please specify all the article numbers when making an order. Due to the lack of profiles enabling adjustment of the shower enclosure, this model is available in two variants:

- **in the standard variant**, in which the external dimensions of the product are adapted to installation on a shower tray (external dimension of the shower enclosure is smaller than the size of the shower tray),
- **in the XL variant**, intended for installation directly on the floor, when the shower installation zone corresponds to standard dimensions of the shower tray.

**FRONT** (in the article number, the symbol **XX** should be replaced with the symbol of the selected colour: 01, 54, 99)
